

Confirmation Service Hours –

Student Name _____ Total Hours _____

Total hours in Each Area: Community _____ Household _____ Church _____ with 5 hours in some form of prayer

Living a life of service is part of being Catholic. Over the next several months you will have the opportunity to be the face of Christ to others. You will need to participate in **60 hours** of service in three areas. The 3 areas and amount of hours you will need to complete are: **Community** (20 hours), **Household** (20 hours) and **Church** (20 hours) with 5 hours in some form of prayer. You may choose to complete the service alone, with your sponsor, or with a group. The purpose of volunteering in these 3 areas is to experience different avenues of sharing your time and talent with others. Try something new! Remember that service is a free gift of yourself, therefore you should not receive payment for your service hours or count the hours of tasks you are normally expected to do. You may record service hours from July of 9th grade through April of 11th Grade. Your hours need to be confirmed with a signature from an adult who organized the event. You may turn in the hours as you complete the service and we will keep them on file for you.
